

The logo features the letters 'UTM' in a large, black, sans-serif font. A yellow rounded rectangle with a dark blue border is positioned between the 'T' and 'M', containing the word 'START' in dark blue capital letters. Above the 'M' is a small black sign with the word 'BUS' in white capital letters, supported by two thin black lines. Below the 'UTM' text, the words 'Tracking system' are written in a smaller, black, sans-serif font.
